SUN DESTINATIONS

## TAITA FALCON LODGE

Nestled above the Zambezi River, overlooking its winding waters and the dramatic cliffs of the Batoka Gorge lies Taita Falcon Lodge. This wilderness retreat is located in the heart of Zambia, downriver from the mighty Victoria Falls. This secluded lodge has a total of 7 en-suite chalets all of which are designed and built using local materials, with stones from the gorge and reeds from the river. Each chalet is named after a bird of prey that can be seen soaring the skies. Décor is simple, yet stylish, with hints of handmade crafts and natural features.

## MANKWE TENTED RETREAT

The charming Mankwe Tented Retreat is situated in a private concession on the doorstep of the game rich Moremi Game Reserve. Tucked away in a grove of mopane trees and mysterious woodlands, this safari lodge sanctuary offers its visitors an unbeatable location close to the north land and water-based safari activities. In total there are 10 tented suites.

## MBOMA ISLAND EXPEDITIONS

Magical Mboma Island Expeditions is a piece of pristine paradise located in a remote area on the tip of the game rich Moremi Game Reserve. Situated on the floodplains of the meeting point of the Delta's fresh waters and the Moremi's savannah terrain, means that Mboma is ideal for both land and water based safaris. Mboma boasts views of the endless floodplains fringed by real fan palms. Dotted across the plains you'll notice scores of red lechwe and lumbering elephants

## CAMP LINYANTI

Camp Linyanti should be visited by anyone passionate about raw Africa and favours safari quality over luxury accommodation. This uncrowded north-western corner of Chobe National Park is a water wonderland which makes it appealing for game viewing as well as game drives. The accommodation at Camp Linyanti sings of traditional safari, blending in with the environment and keeping things simple, yet elegant. There are 5 individual canvas tents, elevated slightly from the ground with stairs leading onto private wooden decks, and up to the interior of these unique, circular tents.

## CAMP SAVUTI

Camp Savuti epitomizes the Botswana safari experience. From the abundant game viewing to the authentic, tented accommodation, this is the traditional way to spend time in one of Africa's most superb wildlife regions. 5 authentic canvas tents are subtly hidden among the bush willows, raised on wooden stilts, and offering en-suite facilities and outdoor showers. Wooden verandas offer views of the Savuti Channel.

## BOTETI TENTED CAMP

Beautiful Boteti Tented Camp is located a few metres from one of the tributaries of the Okavango Delta, the Boteti River. The Boteti River is a life source of water for the arid Kalahari plains and famed Makgadikgadi Pans National Park. Considering the river is the only reliable water source in the area, it's no surprise that it's a magnet for predators. Boteti Tented Camp sleeps 10 people in 5 Meru-style canvas tents built on wooden platforms. Each expansive tent sleeps 2 people maximum, and has ample space to move around. Each tent has a wooden chest for storage, bedside table, work desk, and an en suite bathroom surrounded by a wall of rustic wooden poles. Comfort at its finest!
